RE: NOTICE OF TRANSFER OF LONG DISTANCE CUSTOMERS  
BETWEEN DFT LONG DISTANCE CORP. AND DFT LOCAL  
SERVICE CORP., effective June 1, 2011

Dear DFT Long Distance customer:

DFT Long Distance Corp. and DFT Local Service Corp. are affiliates and part of the Dunkirk & Fredonia family of providers. They work closely together in providing quality telecommunications services to businesses and residents of western New York.

Due to corporate restructuring, DFT Long Distance Corp. will be transferring all of its long distance customers to its affiliate, DFT Local Service Corp. To avoid any interruption of service, existing customers of DFT Long Distance Corp. will be transferred to DFT Local Service Corp., in a seamless transaction in which there will be no impact on the type or quality of long distance service you now receive, or the prices you pay for that service.

The transfer of customers is expected to be completed on or around June 1, 2011. Other than the name change from DFT Long Distance Corp. to DFT Local Services Corp., we expect the transaction to be totally transparent to you. You will continue to receive and be billed for service under the same rates, terms and conditions that you have enjoyed up to now from DFT Long Distance Corp. Once you become a customer of DFT Local Service Corp., you may choose to retain the same rate plan that you now have, or you may, at your option, choose a different rate plan from DFT Local Service Corp., which may make available to you various service and rate alternatives.

The local exchange service you now obtain from Dunkirk & Fredonia Telephone Company and/or Cassadaga Telephone Corporation will remain unchanged, and there will be no change in your local telephone number. Your local service rates will not be affected by this transaction.

Any existing balance in your long distance account, along with any credits or deposits, will be transferred to DFT Local Service Corp. DFT Local Service Corp. will be responsible for resolving any complaint relating to service prior to and during the transfer.

We understand that you have a choice of service providers and we are dedicated to earning and keeping your business. While we hope you will be happy with the transfer of your service to DFT Local Service Corp., you do have the right to select another long distance service provider. If you do not select an alternative provider by May 1, 2011, you will automatically be transferred to DFT Local Service Corp., although you may, if you wish, choose a different provider after you have been transferred to DFT Local Service Corp.

There will be no carrier change charge or any other cost to you in connection with your initial transfer.

If you have arranged for a preferred carrier freeze on your existing long distance service, it will be lifted to accommodate the transfer of your service to DFT Local Service Corp. You therefore may need to arrange a new preferred carrier freeze once DFT Local Service Corp. assumes responsibility for your long distance service.

DFT Local Service Corp. is committed to continuing to provide you with the same level of excellence and customer service that you now receive from DFT Long Distance Corp. DFT Local Service Corp. will assume responsibility for concerns you may have in connection with your existing service.

Any questions you may have regarding this transfer or any other questions regarding service obtained from DFT Long Distance Corp. or DFT Local Service Corp. can be obtained from the following:
